Student Worksheet: R U a "Wise" User of Social Media?

1. Which social media do you use regularly? Check all that apply.

- _____ Snapchat
- _____ Instagram
- _____ Twitter
- _____ Facebook
- _____ Other? List here.

DID YOU KNOW... Snapchat started in 2011, Instagram launched in 2010, Twitter began in 2008, and Facebook, the oldest of the bunch, was founded in 2004?

2. Vocabulary: Define each of these terms (as related to social media) in your own words.

Oversharing:

Cyberbullying:

Upstanders vs. Bystander:

3. Reflect on at least 2 "memorable experiences" you have had with social media. Label each as "cool" or "uncool."

Experience 1.

Experience 2.

4. Choose one of the following scenarios to discuss with a partner. Discuss: How could these actions affect you and your future? Are these realistic scenarios—discuss the impact this action could have on you and your future.

Scenario 1: You are at a party with friends and having a fun time taking pictures and videos of everyone there. Someone posts a pic of you with a bottle of beer behind you.

Scenario 2: You and your friend Mary are hanging out at Salt Lake Shopping Center one afternoon and witness a fight between MoHS students. Mary convinces you to record and post it to your Instagram.

Reflection Questions: Choose one of the following to answer.

- Do you believe that... "Once you put something online, you can never fully take it back." (Commonsense education) Discuss ways that this can harm you.
- Discuss how and why your online behavior is or can be different from your face-to-face behavior.
