

CAP Lesson: Academic Planning
Reflections

After filling in as much information as you can on the Moanalua High School 4-Year Program Plan and reflecting on the choices you made, please do the following:

- Fill in the table below with the choices you have made for next school year. Even if these choices may change, take some time to reflect on your choices. (Consider things like your career options, post-secondary plans, skills and interests.)
- After you have filled out the table, write a short paragraph below it that addresses this question: *What are some advantages and disadvantages of being a "planner"?*
